

- What an amazing collection! Susanna was thoroughly engaging. Children from across all year levels (Nursery to Year 6) enjoyed the presentations and activities from The Nature Collection. *Edward Pauling Primary School, Feltham*
- The children - and staff - really enjoyed your collection. Many thanks for allowing them to view it. *Mark Hartley, Head, Barnes Primary School*
- Your Powerpoint was really clear and aimed at the children perfectly. So many colourful photos focused on the objects you were explaining, it was so easy to follow. *Year 6 Teacher (Owl Pellet workshop), Green Lane Primary*
- I was absolutely amazed. I certainly have learnt so much today, even from the first introductory slide show. *Year 4 Teacher (Bones workshop), Our Lady Immaculate, Tolworth*
- I came back late on Friday to school and everyone was still talking about it! The adults thought it was really educational and the kids all had a great time - its so nice that they can touch everything. We will definitely keep you on our list and have you in again sometime. Thanks again. *Gill Mansfield, Bedelsford School, Kingston*
- Last year you attended our school and delivered two Owl Pellet sessions to the Year 6 classes and led a guided walk around Richmond Park which I know the children got a great deal from and thought was fantastic. Would it be possible for you to do it again this year? *Lee Christy, Green Lane Primary*
- We are your number one fans! *Maggie Stovold, Head, Windham Nursery, Kew*
- Thanks again for your wonderful visit yesterday. I know the children have learnt a lot and parents have told me that they were all talking excitedly about it last night. We will definitely have you back next year around the same time to coincide with our Spring walk. *Michelle Dendy, St Mary's and St Peter's Primary School, Teddington*
- We loved the day! Thank you so much. *Sally Crawley, Head of Nursery, Kings House School*

- Just wanted to say thank you for the fantastic workshops you ran in the school. I've read over the staff feedback and its all been really positive – children loved it, great variety, generated great questions and discussion. *Rebecca Gillis, Edward Pauling Primary School, Feltham*
- Fantastically practical and hands on! *Carrie Khayser, Our Lady Immaculate, Tolworth*
- Thank you so much for coming to Crocodile Class on Monday. We thoroughly enjoyed hearing all about your job and seeing your impressive collections of bones and animal remains. We look forward to working with you again in the future. *Laura Martin, Kew Riverside Primary School*
- Thank you for your positive comments, all of the children and the teachers had an amazing time and loved your visit. They are still talking about it now! *Jacqueline Heard, Coombe Hill Infants School*
- My daughter came in from school absolutely buzzing and told me to sit down so she could tell me all about it. She told me how soft a wing feels, how heavy an antler is and how many different butterflies she had seen. Now I have seen the display, I can understand why!
Parent and School Governor for Science, Our Lady Immaculate Primary School, Tolworth
- I do so enjoy seeing your Richmond Park Collection, The children just love it too judging by the many comments they made and questions asked. Your action photographs of the wildlife are so good! Thank you for coming. *Karin Noble, Petersham Cubs*
- We have enjoyed your visits with us so much, we'd like to have you again in 2012. *June King, Alexandra Infants School, Kingston*
- The collection was fantastic. I loved the fact that it was so hands on and the children could really engage with the pieces. Susanna has a lovely way of sharing her extensive knowledge and I thought it was delivered well to a diverse age range. *Surbiton Home School Group*
- The children loved the fact that they could be mini explorers with magnifying glass in hand and loved the practical hands on experience they gained from the workshops. *Edward Pauling Primary School, Feltham*
- We did so enjoy having you in school - the children got so much out of it and we all learned so much!! You let them see things I wouldn't be able to provide and your knowledge is incredible! Thank you so much! *Kathryn Weir, Year 6, St Luke's Primary School, Kingston*

•Very interesting collection. Great range of objects for the children to handle / look at. Excellent photos too! The worksheets helped focus the pupils and the slideshow was interesting and pitched well for KS2. Pupils were enthused and interested. We all learnt lots!!
Tom Cook, Burlington Junior School

•Your workshops were so successful last year that we would like to book you again. *Liz Robinson, Head , Maple Infant School, Surbiton*

•All the boys who took part thoroughly enjoyed themselves and learned different things about the wildlife in Richmond Park. Your workshops were engaging, age appropriate and interesting. The collection itself was fascinating. The boys are still talking about it! It was so beneficial for the children to be able to handle and touch the artefacts. I hope I have the opportunity to have you visit another year. *Kerry Hogan, Tower House Prep School*

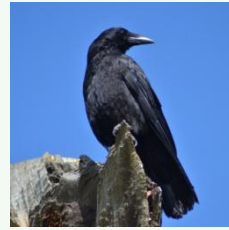

•A thoroughly engaging day. I would definitely recommend booking Susanna and her wonderful Nature Collection. *Edward Pauling Primary School, Feltham*

•Thank you so much. It was absolutely fascinating. We have all learned so much! *Year 3 Teacher (Habitats workshop) Our Lady Immaculate Primary School, Tolworth*

•I personally liked the photos and the way they complemented the entire collection. *Surbiton Home School Group*

•Thank you so much for coming in to see us on Wednesday. All of the girls really enjoyed your visit and learned so much from your workshops. They have asked if we can have you back again and I am sure that we will be in touch soon to organise another visit..
Catrina Doherty, The Old Vicarage School, Richmond

•Thanks for the lovely workshops. We all really enjoyed them. *Carol Mills, St Paul's Junior School, Kingston*

•It was amazing how many different facts my class remembered when they were doing the worksheets afterwards. Even the ones who are usually very disruptive. We have lots of children for whom English is a second language. This worked really well for them as it is all so visual. *Year 2 Teacher, Our Lady Immaculate Primary School, Tolworth*

•The children had a lovely time with you in the park. They were very excited when they came back and keen to tell me about all the things that they had seen! Thank you very much for all of the work that you have done with our children. They have had a great experience and it has got them really excited about our topic! *Kelly Brand, Green Lane Primary School*

•It was an amazing collection and an exceptionally educational afternoon. Thank you for the way you were with the children, we will definitely recommend you to other groups! *Jill Dewan, Surbiton Home School Group*

•Fabulous display. Loved the fact that the children could touch and handle items. Fascinating how many animals were represented. The collection fits into the curriculum so well. The slide shows were age appropriate and covered the topics. We all had a great time. Thank you so much. *Lucy Stimson, Our Lady Immaculate, Tolworth*

•Susanna is very passionate about the work she does and this rubbed off on the children who enjoyed exploring the artefacts. From animal skeletons to feathers to tiny insects to deer – Susanna has it all! *Edward Pauling Primary School, Feltham*

•Fantastic display. Such an extensive array of photographs and interesting things to prompt discussions. The talk was very detailed. The Q and A was very good. The children asked sensible questions and received very thorough answers. Thank you. We loved it! *Claire Neal, Our Lady Immaculate, Tolworth*

•Excellent samples. Great variety. Lots of items which could be used as a teaching tool to continue teaching concepts after the display. Very appropriate slide shows and talk. *Alyson Rodrigues, Our Lady Immaculate Primary School, Tolworth*
